ENOGASTRONOMIC TOUR TO DISCOVER THE TASTE AUTHENTIC OF THE PISTOIESE TERRITORY

A fascinating journey that begins with the visit of the vineyards of the company visiting the olive grove, the oil mill, the Vinsantaia and the historical winery of the Azienda Agricola Marini Giuseppe in which our eno-passionate customers will live an unforgettable experience through the tasting of 3 representative labels of the Pistoiese area: **SaviuM Bianco di Toscana IGT, the Chianti DOCG and the Rosso Birbante di Toscana IGT.**

Moreover, it will be possible to taste the **Vin Santo of the fine vintage of 2013** (awarded with 86/100 in the 5StarWines - Vinitaly 2018 competition) after the visit of the Vinsantaia with the explanation and history of the Vin Santo production. During the tasting of selected wines our curious customers will be able to discover Vin Santo winemaking processes, the experimentation and the passionate research of our company in the wine field.

Serving suggestions: The tasting will be enriched with Bruschette mixed with extra virgin olive oil. The tour continues with the tasting of typical local Prosciutto, Salami and Cheeses, accompanied with Chianti DOCG wine jellies and Vin Santo del Chianti and Biscuits enriched with oil and Vin Santo of the farm.
